No Registration Required – Exposed Skin Screening Only

- **Wear loose clothing**: shorts, short sleeved shirts or garments that allow easy visibility of the skin
- **Wear limited or no makeup:** helps the screener assess natural skin tone and texture
- **Keep your hair loose**: to allow your scalp can be examined
- **Note any areas of concern**: spots, patches, or moles you want the screener to examine
- **No disrobing**: screenings are performed on exposed skin only with minimal clothing adjustments
