

Special Procedures Change Cath Biliary

PREPARATION FOR YOUR TEST

1. Blood thinners must be stopped prior to procedure. (Patient should check with their physician before stopping)
2. Nothing to eat or drink eight hours prior to exam. (Ok to take medications with sip water except blood thinners)
3. Bring medications or a list of them to appointment.
4. Patient must bring a driver.
5. Patient should be prepared for post-procedure hospital admission.
