

Neuro EEG

PREPARATION FOR YOUR TEST

1. On the day of the test, do not drink coffee or other drinks containing caffeine. Have your breakfast or lunch, and take any medication that is normally prescribed for you unless your doctor tells you otherwise.
2. Shampoo your hair. No hair spray, conditioner, gels, mousse, etc., should be used. Braids, weave, etc. must be removed before testing.
3. Allow 2 hours for testing.
4. Please arrive 15 minutes early for registration.
5. Please bring a list of your most recent medications and your insurance card(s).
