TEST ZZPLAB's Results

View the most recent result for each laboratory and microbiology test. Select a test below to view the history of results. [Learn More](#)

Select  to view result comments

1-50 of 125

Date	Test	Result	Reference Range	Flag
Jan 14, 2022 10:08 am	SARS-CoV-2 (PCR)	Detected 	NotDetected	Abnormal

[Back to Health Record](#)

 [Print](#)

COVID results appear as above.

The “Result” column shows your test result.

“Detected” means your COVID test result was positive.

“Not detected” means your COVID test result was negative.

If you need a laboratory report for verification purposes (school, work, day care, etc.) you must email your request to bhclabcustomerservice@boone.health. Please include your Name, DOB and day of test.

For additional information about quarantine and isolation, visit the CDC’s website:
