Visit: boone.health/boone-health-connection

Patient Portal

Boone Health Connection is an online tool that goes a step beyond simply displaying information by helping you manage your healthcare easily and securely.

Get Enrolled
Get started by completing the enrollment questionnaire.

Have an Account?
If you've completed enrollment, you can log in to Boone Health Connect now.

Get the App
Visit the Apple or Google Play Stores and download the MyHealth App.

Click the “Login Now” button
Enter your Logon ID and Password, and click “Sign In”

If you know your Logon ID, but forgot your password, click “Forgot Logon ID?” to have a temporary password emailed to you.

If you forgot both your Logon ID and password, click “Forgot Password?” to have a temporary Logon ID and password emailed to you.

*both reset options require answering your security question
After logging in, Click on the Health Record icon.
In the Health Record page, click the “Results” link on the right-hand side of the page.
COVID results appear as above.

The “Result” column shows your test result.

“Detected” means your COVID test result was positive.

“Not detected” means your COVID test result was negative.

If you need a laboratory report for verification purposes (school, work, day care, etc.) you must email your request to bhclabcustomerservice@boone.health. Please include your Name, DOB and day of test.

For additional information about quarantine and isolation, visit the CDC’s website:
