To access your COVID test results, select the “Results” icon

COVID results appear in the portal immediately after the results are available.

The “Result” line shows your test result.

“Detected (Abnormal)” means your COVID test result was positive.

“Not detected” means your COVID test result was negative.

If you need a laboratory report for verification purposes (school, work, day care, etc.) you must email your request to bhclabcustomerservice@boone.health. Please include your Name, DOB and day of test.
