

# VSP KIDSCARE PLAN

While your child's pediatrician or school nurse may do an annual vision screening, it's not the same as a thorough eye exam by a VSP network doctor.

## HELP KEEP THEIR EYES HEALTHY.

Growing children can experience significant vision changes or simply outgrow their glasses in as little as a year. The VSP® KidsCare Plan helps you catch these changes early before they impact learning and development by providing:

- Two fully covered WellVision Exams® every year
- Glasses or contacts<sup>1</sup> every year, and an additional pair of lenses if prescription changes<sup>2</sup>
- VSP LightCare™ for defense against UV and blue light with sunglasses or blue light filtering glasses instead of prescription glasses or contacts
- Vision Therapy to address common childhood vision conditions like nearsightedness, lazy eye, and cross eye

**80%**  
OF WHAT CHILDREN
