# Patient Attendance Policy

Valued Patients,

Because appointments are in high demand, if for any reason you must cancel or change your appointment, it is important that you give our office at least **24 hours' notice** to offer that spot to someone else. Please call us at **573-815-6447.** We ask that you arrive 5 minutes early to fill out your visit paperwork.

## Late Arrivals

When we reserve time for you, we require all that time to provide you with the best quality care possible. **If you arrive more than 10 minutes late for your appointment time, you may be required to reschedule** to meet the needs of those patients who are on time. We will check to see if there is anywhere to fit a late patient in our current day, however it is likely that patients will be rescheduled to a later date. In some cases, an appointment may not be available for several weeks.

## No Shows and Cancellations Without 24 Hours' Notice

Missed appointments without 24 hours' notice create a hardship for everyone. Our providers' schedules are full, and in high demand. If you miss your appointment, you will be scheduled for the next available appointment, which may be weeks away.

For your convenience we provide reminder texts and calls 48 business hours prior to a scheduled appointment. The patient service representative (PSR) will leave a voice message indicating the date, location, and time of the patient's appointment. It is the responsibility of the patient receiving the voicemail to confirm, cancel or reschedule 24 hours before the scheduled appointment. If the patient's phone is "out of service" or not receiving calls, the patient is still responsible for keeping the scheduled appointment.

**It is our policy that patients with 2 No Show appointments or 3 cancellations without 24 hours' notice will have all future visits with our office cancelled.**

***We are a comprehensive program and attendance to your regularly scheduled appointments is critical to your success in meeting your weight loss goals. If you are on medications that need refills, missing appointments may affect your ability to obtain a refill in a timely matter.***

☐ **by checking this box I acknowledge that I have read, understand, and agree to the above outlined patient attendance policies.**
