

# A Pediatrician With The Boone Touch

Many great pediatricians are on staff at Boone Health.

Find a physician online at [www.boone.health](http://www.boone.health).

To find out if an individual pediatrician is participating with your specific insurance policy or to verify your benefits, please check directly with your insurance and the clinic you are wanting to establish care with. The contact information for your insurance is typically listed on the back of your insurance card.
