MU Health Care Pavilion
1701 W. Ash
Columbia, MO

9:00 AM - 1:00 PM

No appointment needed

Exposed Skin Screening Only:

- Wear loose clothes (shorts).
- Wear minimal amount of makeup.
- Keep your hair loose so your scalp can be examined.
- Take note of any concerns, like skin spots, patches, or moles, and point these out to your screener before the exam.

A1C: Blood test for type 2 diabetes and prediabetes. Measures average blood glucose, or blood sugar levels over the past 3 months.

- Instant results
- Fingerstick
