

NICU

Boone Health's Neonatal Intensive Care Unit (NICU) is a level III intensive care unit for infants where seriously ill newborns can receive the support and treatment they need. The 21-bed NICU is a state-of-the-art facility, with an environment focused on family-centered and developmentally appropriate care. Our nursery staff of maternal-fetal specialists teach parents how to tend to the special needs of premature or ill newborns.

NICU Volunteer Job Description

Location: Central Tower, 2nd Floor

Attire: Scrubs are recommended, but not required. Business casual otherwise.
