FOR SKIN CANCER SCREENING:

- Wear loose clothes (shorts)
- Don't wear makeup or minimal makeup
- Keep your hair loose so your scalp can be examined
- Take note of any concerns, like skin spots, patches, or moles, and point those out to your screener before the exam

FOR A1C SCREENING (Blood test for type 2 diabetes and prediabetes.):

- Drink plenty of water
- Fasting is not required
- Finger stick with results in 5 minutes
