## SPRING SCREENING SATURDAY

Boone Health will have special hours for a “Spring Screening Saturday,” to assist anyone who has trouble scheduling provider-ordered screenings, including CT scans, MRIs, blood tests, mammograms, cardiac calcium screenings and more.

***Note:** Some of the tests require a provider’s order, which must be on file before registering for the scans. Additionally, some of the screenings will be free and available on a walk-in basis.*

### **Screenings and services being offered include:**

- Requiring a provider’s order:
  - CT Lung Cancer Screening
  - MRI Breast Bilateral
  - Lab Draws
- Not requiring an order:
  - CT Cardiac Calcium Screening
  - Screening Mammograms
- Not requiring an order AND free:
  - Therapy Screenings, including:
    - Pelvic Floor Therapy
    - Balance
    - Chronic Pain
  - A1C screening & Blood Pressure screenings
- Skin Cancer screening

### **WHO:**

Available to the public. To register for the screenings, please contact Boone Health Central Scheduling at 573.815.8150. Please note that some of the screenings require a provider’s order before registration can be completed.

### **WHEN:**

8 AM to 12 PM,  
Saturday, April 18

### **WHERE:**

Boone Health Nifong Medical Plaza  
900 W. Nifong Blvd  
Columbia, MO 65203.

***NOTE:** The screenings will take place on the ground floor. The entrance is located on the east side of the building.*
